

”Clarification: Wittgenstein’s *gedichtete Philosophie*”, in C. Carmona & J. Levinson, eds., *Aesthetics, Literature and Life. Essays in honour of Jean-Pierre Cometti*, Milano – Udine 2019, pp. 121-137.

## **Abstract**

Ludwig Wittgenstein’s *Tractatus logico-philosophicus* read as a piece of philosophical self-therapy, anchored in a literary tradition including names like Epicurus, Lucretius and Goethe.
